## NEWS RELEASE

*(For immediate release)*

### **FMC APPOINTS DR. BHATIA AS WOUND CLINIC ASSISTANT MEDICAL DIRECTOR**

**LANCASTER, Ohio (TBD)** – Recently, Dr. Animesh Bhatia was named Fairfield Medical Center’s Assistant Medical Director of the Wound Clinic located in Lancaster.

The Wound Clinic at Fairfield Medical Center specializes in healing chronic wounds. The clinic’s team of board-certified physicians and wound certified nurses dedicate themselves to treat hard to heal wounds that may be a result of diabetes, poor circulation, trauma, surgery or other conditions. Many of the patients are completely healed after suffering for months or even years after previous treatments failed. The Wound Clinic at FMC, under Medical Director Andrew Murry, M.D, offers state-of-the-art equipment, treatments and advanced wound therapies and is conveniently located at 135 N. Ewing Street in Lancaster.

Dr. Bhatia now joins Dr. Murry as the new Assistant Medical Director. Dr. Bhatia has been in private practice for over ten years as the CEO of Columbus Podiatry and Surgery in Columbus, Ohio. He serves as a wound consultant for 3 other area hospitals and over 25 acute and long-term care facilities in the Central Ohio area. He is a Certified Wound Specialist, also a Fellow of both the American Professional Wound Care Association and the American Academy of Podiatric Practice Management.

Dr. Bhatia looks forward to his new role at the Wound Clinic, noting, “I am honored to now serve as the Assistant Medical director for the Wound Clinic, and be able to help patients who may sometimes have been suffering for years with their condition.”

For more information about the Wound Clinic at Fairfield Medical Center, please call (740) 689-6430.
