Financial Policy and Responsibility

Thank you for choosing Columbus Podiatry & Surgery Inc. to provide you with medical care. We are committed to serving you with skill and high quality care. The medical services provided by our office are services you have elected to receive may imply a financial responsibility on your part.

Insurance: We participate in most insurance plans. Knowing your insurance benefits is your responsibility. Please contact your insurance company with any questions regarding your medical health coverage. If you are not insured by a plan we participate with, full payment for services is expected at each visit. If you are insured by a plan we participate with but do not have a current insurance card, payment in full for each visit is required until your coverage is verified.
Medicare: We are a participating Medicare provider. Medicare, as well as any applicable secondary insurance, will be billed for you. There is no guarantee of service coverage. Patients are responsible for paying their annual deductible if it has not been met. Patients are also responsible for any co-payments. Copayment is typically 20% of the allowed item or service price.
Secondary Insurance: Your medical claim will be forwarded to your secondary insurance (if any) after payment and/or explanation of benefits (EOB) is received from your primary insurance company.
Copayments and Deductibles: All co-payments and deductible payments must be paid at the time of service. Your insurance company contracts this arrangement. Failure to collect such payments can be considered fraud. Please help us uphold the law by paying your co-payment at each service visit.
Self-Pay: If you do not have health insurance, full payment for services is due at the time of service.
Non-covered Services: Please be aware that some of the services available at our practice may not be covered by your insurance. Your insurance has the power to deem some medical services unnecessary for your health. If you chose to receive these services, you are responsible for payment.
Referrals/Authorizations: We are required to follow the guidelines of your managed health care plan that may mandate us to require referrals from your primary care physician to see a specialist. If your insurance requires a referral from your primary care physician, it is your responsibility to get a referral from your primary care physician.
Claim Submission: We will submit your claims and assist you in any way we reasonably can to help get your claims paid. Your insurance company may need you to supply certain information directly. It is your responsibility to comply with your insurance company's request. Please be aware that the balance of your claim is your responsibility whether your insurance company pays the claim or not. Your insurance coverage is a contract between you and your insurance company.
Patient Billing: You will be sent up to three notices for your financial responsibility (co-insurance, deductible) after payment and/or explanation of benefits (EOB) is received from your insurance company/companies. After the third and final notice, your account will be forwarded to collections. Please contact our billing office if you have any difficulties receiving or paying your bill. Payment arrangements can be made on a case-by-case basis. We accept the following payment methods: cash, check, or VISA/MasterCard/Discover credit card. An additional $25.00 will be added to your statement if your check is returned for insufficient funds. In the event that your insurance company send payment to you (the patient), we require payment be forwarded to our office to be applied to the account balance.
Privacy Statement: Any information disclosed in your records will remain confidential and will not be used for any other reason outside of providing you quality care and treatment. Your information might aso be used to submit claims to your insurance company and contact you as needed.
Assignment of Benefits: I certify that I (or my dependent) have coverage with my insurance as presented and assign directly to Columbus Podiatry & Surgery Inc. all insurance benefits, payable to me for services rendered. I understand that I am responsible for payment of deductibles, co-payments, and/or non-covered services. I hereby authorize the doctor to release all information necessary to secure payment of benefits. I authorize RELEASE OF MY MEDICAL INFORMATION to my insurance carrier, or requested physician to provide continuity of care. I authorize the use of this signature on all insurance submissions.
Missed Appointments: Our policy is to charge $25.00 for missed appointments. Missed appointments are considered those not cancelled at least 24 hours in advance to the scheduled appointment. These charged will be your responsibility and billed directly to you. Please help us serve you better by knowing your scheduled appointment date and time.
